

Dear Senator Schumer

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the cable companies. The FCC and DOJ should not approve this deal, which destroys good union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing, and installing the FiOS network.

Buffalo, Syracuse, Albany, the upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Ayva Pemberton

DEAR SENATOR SCHUMER,

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON WIRELESS AND THE CABLE COMPANIES. THE FCC AND DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD UNION JOBS AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST AND TIME WARNER. VERIZON, THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT, UNREGULATED, QUASI-MONOPOLY WITH THE CABLE COMPANIES.

THE DEAL WILL BE VERY PROFITABLE FOR VERIZON WIRELESS AND CABLE, ENDING ANY INCENTIVE TO INVEST IN FIOS AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS BUILDING, MAINTAINING, SERVICING AND INSTALLING THE FIOS NETWORK

BUFFALO, SYRACUSE, ALBANY, OTHER UPSTATE CITIES AND RURAL AREAS, AS WELL AS EASTERN LONG ISLAND, WILL ALL GET LEFT BEHIND WITH NO CABLE COMPETITION, COSTING CWA AND 1BEN JOBS. EVEN REGIONS WITH FIOS COULD BE AFFECTED, SINCE THERE WILL BE FAR LESS INCENTIVE TO INVEST IN THE NETWORK.

I URGE YOU TO REJECT THIS PROPOSED DEAL BECAUSE IT WILL DESTROY JOBS AS WELL AS HURT CUSTOMERS. THANK YOU FOR YOUR CONSIDERATION.

Dear Senator Schumer,

I am writing urging you to please fight the proposed deal between Verizon Wireless and Cable Companies. This will destroy union jobs. This will ultimately end competition between numerous companies including Verizon and Cable companies. There will be one company monopolizing the communication industry.

This will cause our union only cities, upstate, rural areas as well as Long Island jobs within CWA and the IBEW.

I urge you to reject this proposed deal because it will destroy jobs.

Dear Senator Schumer,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and cable companies. The FCC and DOJ should not approve this deal, which destroys good union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon through its subsidiary Verizon Wireless will form a giant unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FIOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FIOS network.

Buffalo, Syracuse, Albany, other Upstate Cities and rural areas, as well as Eastern Long Island, will all get left behind.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in Fios and compete against cable. There will be fewer jobs building, maintaining, servicing, and installing the Fios network.

Buffalo, Syracuse, Albany, other Upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with Fios could be affected, since there will be far less incentive to invest in the network.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated ~~and~~ quasi-monopoly with the cable companies.

The deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FIOS and competing against cable. There will be fewer jobs building, maintaining, servicing, and installing the FIOS network.

Buffalo, Syracuse, Albany, other Upstate cities and rural areas, as well as eastern Long Island, will suffer left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FIOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject the proposed deal because it will destroy jobs, as well as hurt ~~customers~~ consumers. Thank you for your consideration.
Sincerely,

Tam Seymour

Dear Senator Gillibrand,

I am writing to urge you to fight the proposed deal between Verizon's Subsidiary Verizon Wireless and the Cable Companies. The FCC and DOJ should not approve this deal, which destroys good union jobs, and is also bad for customers.

Dear Senator Gillibrand,

I write this letter to you in the hope you will do whatever you can, to block the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve a deal which destroys good, union jobs, and leaves customers with fewer choices for phone, cable and Internet services.

This proposed deal ends long standing competition between Verizon and cable companies, including Comcast and Time Warner, which made these same companies held accountable for the quality of services they provide. By fighting this you will prevent the formation of an unregulated giant that will hold its customers hostage to the services and prices of these services to which it will provide.

A very profitable deal for the companies involved, but at the cost of several jobs to hard working Americans with families, and a quality of service that every body deserves in this day and age of technology.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. THANKS for your consideration

Sincerely Robert H McGinnis Jr.
